CEO Update

Yann Delabrière- President & CEO

Delivering on Budget & Confirming solid growth momentum

› Revenue grew 3% in H1 from €1,051 million to €1,083 million (1% at constant currency)

- Second consecutive quarter of revenue growth, ahead of budget => H1 revenue growth at +3% versus -12% in H1 2018
- Revenue above budget by €14.3 million or 1.3%, in H1 2019

› Secured Enterprise Transactions: Revenue growth acceleration (+3% in H1)

- Strong performance in Financial Institutions segment with positive premium card and dual interface trends
- Robust activity in Digital solutions (+28% in software) with strong pipeline
- Growth in Automotive (+13%) and biometric terminals (+16 %)
- Connectivity on budget and stabilizing

› Government Solutions: on budget

- Sustained by solid performance in the USA driven by enrolment services (TSA pre check) and border control
- Activity picking up in the rest of the world on the back of several program deliveries (Hong Kong), new civil ID contracts (North Africa) and enrolment services in India
- Very solid order intake in Government Solutions in H1 2019 (€765 million, +35% versus H1 2018) with backlog of €2,132 million, up 15% from end of December 2018

› Solid profitability with EBITDA margin at 15.1% in H1, ahead of budget

- H1 EBITDA at €163.4 million is above budget by €4.3 million or 2.7%
- As per budget orientation, sizeable investments in H1 in sales and marketing to support growth acceleration going forward

› Focus on Cash: significant improvement versus last year

- Material €70 million year-on-year improvement in Operating Cash Flow supported by significant enhancement in working capital management (- €115 million in H1 2018 to - €6 million in H1 2019 in change in working capital)

H2 will show acceleration

› We are back to growth and anticipating substantial acceleration in H2 2019

- High visibility on large programs expected to take off in H2 notably in the Financial Institutions segment
- Solid H1 order intake in Government Solutions will result in H2 revenue growth acceleration both in the USA and in the rest of the world.

› EBITDA expected ahead of budget

- We expect to deliver a solid H2 supported by top line acceleration and the first positive effects of Transfo 2.0 program

› Focus on Cash: on target for Cash neutrality in 2019

- H1 has demonstrated our ability to improve operational cash generation with efficient control of working capital
- H2 cash flow should further evidence that the actions taken are yielding results with further expected benefits in working capital management.
- We expect as well disposals for ~€75 million in FY 2019 (of which €9 million in H1), including off balance sheet factoring and reverse factoring programs.
- We reiterate our target for a cash neutral Full Year 2019.

In summary

Strictly Private & Confidential

› We have reviewed our product roadmap strategy

- We have defined clear priorities to invest where we have the highest return on capital in the form of sales growth and profitability
- Our recent strategic review supports a sustained growth acceleration over several years
- SET and Government Solutions have strategic goals aligned to our 3Y outlook

› We have finalized our plans

- We are implementing our Transfo 2.0 strategy and keep focusing on profitability
- The post merger integration is complete, we are now fully focused on business matters
- The organization and the top management are in place to deliver
- Cash plan improvement is rolled out across the company (working capital management, business model return on capital analysis...)

› We will share our Vision and detailed 3-year outlook in Q4 2019

- Revenue Growth per annum: mid single digit
- EBITDA margin ~ 20% mid term
- Deleveraging to resume from 2020
- 2020 to show a meaningful EBITDA increase towards the mid-term ambitions and a return to positive cash generation
