

Oberthur Technologies will present its Q3 financial results to investors on December 12th 2013

Colombes, France, December 09, 2013

Oberthur Technologies, a world leader in digital security solutions for the mobility space, today announced that it will present its third quarter financial results to investors on Thursday December 12th, 2013.

Didier Lamouche (CEO) and Anne-France Laclide (CFO) will be presenting these financial results and taking questions the same day at 4pm CET.

In order to get access to the conference call dial-in details, please register with Investor Relations: investors@oberthur.com

The accompanying presentation slide deck will also be sent by email to registered investors and financial analysts.

ABOUT OBERTHUR TECHNOLOGIES

OT is a world leader in digital security solutions for the mobility space. OT has always been at the heart of mobility, from the first smart cards to the latest contactless payment technologies which equip millions of smartphones. Present in the Payment, Telecommunications and Identity markets, OT offers end-to-end solutions in the Smart Transactions, Mobile Financial Services, Machine-to-Machine, Digital Identity and Transport & Access Control fields. OT employs over 6 000 employees worldwide, including 600 R&D people. With more than 50 sales offices across 5 continents and 10 facilities, OT's international network serves clients in 140 countries.
